MT UL

OPERATOR'S MANUAL MANUAL DE INSTRUCCIONES

Please note:

This unit measures 32.5" tall, 14.5" wide and 20" deep. It weighs in excess of 90 pounds. It should fit into the backseat of most cars.

This unit takes a regular 110volt household outlet. It uses 12 amps.

This unit must be transported in the upright position. If laid down, the unit will be damaged.

There must be a correct electrical connection between the bowl and cover or unit will not function. Please be sure the covers are on correctly.

Do not add alcohol to machine-it will not freeze.
