

#### Discounts or Donation requests instructions.

Each year RI Rentals receives many donation requests for great charitable causes. Due to the extremely large number of requests we receive, we are not able to approve them all.

In order to receive full consideration, please send in your request as early as possible, as we have some that are received a year in advance. This is required for budgeting purposes.

We give highest consideration to businesses, causes, and persons whom have previously supported our business. If you have been a past or present customer, please indicate that on your donation request form and consider following us on Facebook and or Instagram prior to your form submittal.

If you would like to be considered for a future donation or discount, please email us at [partysales@irental.com](mailto:partysales@irental.com) and request a copy of our donation forms. It is important that you complete these forms, (incomplete forms will not be considered).

Please return the completed forms to us at [partysales@irental.com](mailto:partysales@irental.com) and you will receive a reply within 5-10 business days.

Thank you very much!
